Welcome back to a brand-new school year! Whether you're a returning advisor or joining our Oklahoma HOSA family for the first time—welcome! We are all in this together, united in our mission to inspire, lead, and serve *for the students*. Your dedication is what makes HOSA such a powerful force in preparing future health professionals. Remember, HOSA is an enhancement to what you are already doing in your classroom. Let's work together to give our students our very best!

Affiliation is now open!

Membership is just **\$25** for *all* members—students, advisors, and professional members. Let's start the year strong by getting our chapters affiliated early so our students can take advantage of every opportunity HOSA has to offer.

Our updated website is now live at www.okhosa.com! You'll find resources, event details, the state officer application, and our newest edition of the Oklahoma HOSA E-Magazine, featuring student accounts from Camp Ignite, ILC, and so much more.

Be sure to mark your calendar with the important dates below so you and your students can plan for a successful year:

New competitive event guidelines will be live on www.hosa.org on September 1!

Thank you for the work you do every day to empower your students. Let's make 2025-2026 a year of learning, leadership, service, and innovation!

Until next time,
