Attachments: Proctored testing procedure.pdf

Happy Friday, Oklahoma HOSA Advisors!

This is your friendly reminder that the **testing, digital uploads, and accommodations request window opens Monday at 8:00 AM**. This includes ALL testing- Round 1 testing, ATC, Healthcare Issues Exam, HOSA History, and any additional required assessments.

A few important notes as you prepare:

- Proctors should have received an email with access and instructions.
- Students will receive an email with their digital upload link, though you can also access this link through your advisor login.
- Accommodations request forms are located on the International HOSA website.
- Please be sure to send the attached document to your test proctors. While they received instructions, the attachment did not successfully go through the system.

A critical reminder for team events: ALL team testing must be completed **within one hour** of each team member. This expectation is in place to ensure fairness and accountability and is the same standard that will be upheld at the International Leadership Conference.

We are so excited for what's ahead and can't wait to see your students shine. Thanks, as always, for all you do to support Oklahoma HOSA.

Have a great weekend!

Until next time,

Amy Warner, M.Ed
