Subject: HOSA Happenings- 3/6/26- 5:00 deadline and forms reminder

Today is the day. The window for SLC testing and submissions closes at 5:00 PM this evening, so this is your final reminder to make sure everything is completed.

Due by 5:00 PM today:

- All online tests (Round 1, ATC, Health Science tests, Healthcare Issues, HOSA History, etc.)
- All digital uploads
- All accommodation form entries

Please double-check with your students to ensure nothing is left incomplete before the system closes.

Pre-Judging Opportunities

We do have a limited number of pre-judging opportunities available. Advisors may assist as long as your school does not have a competitor in that event. This helps ensure every student's work is evaluated as fairly and objectively as possible across the state.

I realize this guideline may limit some participation, and I appreciate your understanding as we work to maintain a fair and equitable process for all students.

If you are interested in helping with pre-judging, please email me directly, and I will share any available opportunities.

Additional Important Reminder for SLC:

All students, advisors, and guests attending SLC must complete the Medical Liability and Code of Conduct forms, which can be found at www.okhosa.com.

Each advisor is responsible for collecting and housing these documents. They do not need to be submitted to headquarters, but they must be available if requested during the conference.

Thank you for helping your students reach this milestone. I know this time of year is busy, and I appreciate the effort each of you puts into making Oklahoma HOSA strong.

Thank you for being Champions of Change for Oklahoma HOSA.

Until next time,

Amy Warner, M.Ed
Oklahoma HOSA State Advisor
