Subject: HOSA Happenings- 9/26/25- Video, FLC, Branding and Webinars

It's an *exciting season* in Oklahoma HOSA, and there's so much to share with you and your students!

Promo Video You Have to See

Check out the brand-new [HOSA Promo Video](#)! Show this in your classrooms, advisory boards, or even to administrators—this is a perfect snapshot of what HOSA is all about. And if you look closely, you'll even catch a glimpse of your Oklahoma state advisor and some of our state officers in the background!

Fall Leadership Conference – Deadline Approaching!

Registration for the Fall Leadership Conference (secondary, middle school, and postsecondary chapters not attending PEAK) **closes October 2**. A few reminders:

- **Everyone onsite must register**—students, advisors, and professionals. (No hallway seating allowed.)
- Each chapter must select **ONE voting delegate** during registration. If you don't register a delegate, your chapter won't have a voice in voting. No changes will be allowed onsite.
- Be sure to enter **shirt sizes** for all attendees during registration. Missing sizes = no shirts.
- **Dress Code:** Conference shirt + slacks + closed-toe shoes.

State Officer Election Process

We had **56 students apply for state office**—how incredible is that?! Round 1 and 2 of competition will take place **September 30 in Stillwater**, narrowing the field to those slated as official candidates. Candidate videos will be posted on the OKHOSA website for chapters to review before voting. Officers will be elected at **FLC on October 27**.

Branding Resources

Make your HOSA presence shine with the [HOSA Brand Social Media Toolkit](#). These resources make it easy to show off your chapter's impact while staying on brand.

Thank you for the work you do each day to empower students to **learn, lead, serve, and innovate**. We're proud of the energy you bring to HOSA and can't wait to see the results of your leadership this fall!

BONUS- Webinars for now or later!

We would like to share with you several upcoming exciting webinars. We hope you share these with your network!

Tuesday, September 30 - 11AM CT / 12PM ET / 9AM PT
