Subject: HOSA Happenings- 3/20/26- Silent Auction, Parade of Chapters, and Courtesy Corp

Whether your week included a true Spring Break reset or you powered through without one—please know I see both sides of that coin. I hope those who had time away are feeling rested and recharged, and for those who kept going (because education doesn't always pause), I hope you find a moment to breathe this weekend. Either way... we're heading into the final stretch together, and I'm so excited for what's ahead! As we return on Monday, it's go-time for SLC, and I need your help to make this experience exceptional for our students.

Event Managers & Section Leaders (ALL Advisors)

We cannot run a conference of this size without YOU.

Please sign up to serve as an Event Manager or Section Leader:

👉 <https://signup.com/go/THoxoTQ>

This is truly an all-hands-on-deck moment. Your leadership ensures our events run smoothly and professionally for every student involved.

Silent Auction Baskets (ALL Chapters)

Each chapter is asked to bring one basket for our Silent Auction.

These funds go directly toward student scholarships, making a real impact for our members.

Ideas include:

- Themed baskets (spa day, movie night, coffee lovers, self-care)
- School spirit baskets
- Local favorites (gift cards, hometown goodies)
- Healthcare-themed items

Get creative- this is always a highlight of SLC!

Courtesy Corps – Student Volunteers Needed!

We are officially opening the Courtesy Corps sign-up for students to serve as:

- Timers
- Patients
- General volunteers

We NEED your students. This is a great leadership and service opportunity!

Sign up here: <https://signup.com/go/sVsEVkR>

Important: When registering students, please list their name AND yours in parentheses:

Example: Minnie Mouse (Walt Disney)

NEW: Parade of Chapters (Opening Session – Monday Night!)

We are so excited to introduce this new SLC tradition!

Each chapter will:

- Submit ONE representative to walk across the stage
- Bring ONE standard-sized poster board decorated to represent your chapter

This is a high-energy moment where every chapter is recognized and celebrated. I want EVERY program represented. This is your time to show your pride and be seen!

Submit your chapter here:

Every chapter must complete this form.

Advisors, what you're doing matters more than you know. You are preparing students not just for competition but for confidence, connection, and their future in healthcare. Let's come back strong, support each other well, and create a State Leadership Conference our students will never forget.

Grateful for you always,

Until next time,

Amy Warner, M.Ed
